

Igor "Iggy" Fedoroff
Area 2, Alternate

BACKGROUND

I graduated from Syracuse University with an A.B. in economics and earned an M.B.A from Cal State Dominguez Hills. After a career in purchasing and contract administration, I retired from the U.S. Air Force as a lieutenant colonel. I then worked 12 years with an aerospace company, finishing in 2000 as a sector vice president of contracts and regional marketing for BAE SYSTEMS North America Aircraft Controls in Santa Monica.

LIVING ON THE NORTH COAST

My wife, Suzanne, and I fell in love with Cambria in 1984 and became part-time residents four years later. In 2000, we moved to Cambria full time. I am a member of the Joslyn Recreation Center, volunteer at their annual Strawberry Breakfast during Pinedorado and am treasurer of the Center's consolidated Bridge Clubs. I am also a member of Newcomers and the North Coast Advisory Council representing Area 2. I chair the Cambria Round Table and am also a member of the Healthcare Advocacy Committee, a standing committee of the Cambria Community Healthcare District, to further my volunteer efforts to execute a locally-funded initiative to achieve dental care for our community's underserved youth aged six to seventeen. I am a member of the Cambria Lions Club and administer the Pediatric Dental Initiative Grant on the Club's behalf. In 2018 I was elected to the Board of Directors of the Cambria Community Healthcare District.

FIFTEEN MINUTES OF FAME

While an Air Force ROTC cadet at Syracuse University I was asked to provide "local color" for Bob Hope's Syracuse show. While telling him about the local area, I drove him to a local country club to shoot a bucket of balls. While I was driving him in a brand-new Chrysler Imperial provided by the local Chrysler corporate office, his police escort had to follow me since I couldn't provide them directions to the country club. In his show that night he called me the Mad Russian. My sub who took over driving Bob that night got to party with Jayne Mansfield!

I enjoy traveling and have visited all 50 states and more than 70 countries. I also enjoy cooking. Suze and I started the Newcomers Gourmet Cooking Club in 2007 which ran for seven years. I contributed to Greenspace a Cambria Land Trust's *Men of Cambria Cook* book and marched in the 2017 Pinedorado parade promoting the cookbook. I enjoy playing Bridge, Trivial Pursuit, reading fiction and non-fiction as well as walking. I find problem solving to be one of my favorite pastimes.
